

TeamSnap Registration System

Very Important Please Read Carefully and Completely!!!

FMMHA in partnership with Hockey Alberta and Hockey Canada have implemented the TeamSnap registration platform since the 2018 2019 Hockey Season. This system provides FMMHA a simpler and more efficient way to register participants, roster players, and have a seamless integration into the TeamSnap APP that FMMHA utilized the last few seasons. This will become the standard for all Minor Hockey Associations in the future as this partnership with Hockey Canada continues to grow.

A few things that you will need to register your child are 1) to know your children's **Hockey Canada Hockey ID #** and 2) a **TeamSnap account**.

Hockey Canada Hockey ID

If you cannot find your child's Hockey Canada Hockey ID, email hockeyops@fmmha.com with your child's name and date of birth so we can find it.

TeamSnap Account

Most parents used the TeamSnap APP in previous years, the email that is associated with the APP is the account you would have in place from previous seasons. They have a place to reset your password on their login page. If you are unsure of what email address you used, please search for any old emails from TeamSnap or login to your APP and see what your account email is. TeamSnap help can be found here as well: <https://helpme.teamsnap.com/article/98-generalteam-support-response-hours>

New Child to Hockey

If you are registering a child that **has never participated in organized hockey**, you will be required to complete the Respect in Sport Parent course to obtain a Hockey Canada Hockey ID #. To complete this course go here: <https://hockeyalbertaparent.respectgroupinc.com/> there will be a cost of \$13 plus GST. **This course is mandatory for kids registered to play hockey in Canada.** If you have another child already registered with the Respect in Sport Program, log into the account and add your new child and choose Fort McMurray as your Association, and that will generate a new Hockey Canada Hockey ID for your new child. The Hockey Canada Hockey ID is only digits and is 12-13 digits long.

New Player to FMMHA from another Association

If you are transferring to Fort McMurray from another Association, you will need to complete the Parent Declaration <https://www.hockeyalberta.ca/parent-declaration-form/> to initiate a transfer. You will require a local address and proof of residency for this to happen, Hockey Alberta will not accept transfers without a local address. Email address to be included in the form in the Minor Hockey Association Submission area is hockeyops@fmmha.com

Parents who need to register in person

If you still need to register in person due to technology issues, you will have to come into the FMMHA office in the Frank Lacroix Arena in Beacon Hill at 155 Beaconwood Road and talk with Roland. He will be able to help you answer any registration questions and help with any financial aid questions and programs. To make an appointment please use this link <https://calendly.com/hockeyops-fmmha/registration> or email Roland at hockeyops@fmmha.com to make an appointment.
