

FORT MCMURRAY MINOR HOCKEY ASSOCIATION (FMMHA)

PARENT AGREEMENT FOR PLAYERS BORN IN 2017

The FMMHA accepts registrations for underage players (born in 2017) in the U7 Division. The following conditions apply:

- The child must participate in the normal activities of the team without disruption. If the player becomes a disruption, we reserve the right to remove the child from the program with a pro-rated refund.
- No special consideration will be provided because of the age of the player.
- The underage agreement is only valid for one year. It is expected the child will play one additional year in the U7 Division. The player will not move up to U9 after two years due to the fact that he/she has started as an underage player in Initiation.
- The Volunteer Commitment that all our members are responsible for, applies to all players including Underage (born 2017) and is expected to be completed or pay the appropriate fee of \$500.00 (which is outlined in our Volunteer Agreement).
- Respect in Sport Parent must be completed in order to register <https://hockeyalbertaparent.respectgroupinc.com/>
- A written agreement must be signed by the parents agreeing to these conditions.
