Fort McMurray Minor Hockey Association would like to recognize and congratulate the efforts and achievements of our U13AA Bouchier Junior Oil Barons. The team's accomplishments this season would not have been possible without the dedication of this talented group of athletes, commitment of parents, and the leadership of the coaching staff.

As the U13AA Provincial Champions depart for the 62nd International Quebec Pee wee Tournament, we wish them the best and will be cheering for them from home!
